2024 HAYNESVILLE SHALE BASS TOURNAMENT

Dear Haynesville Shale Bass Tournament Sponsor:

The Haynesville Shale Bass Tournament Board of Directors and its committee members once again extend its sincere appreciation for your past tournament support through sponsorship donations and your consideration of support for this year's tournament. Your sponsorship directly affects the success of the event and allows it to continue to be a quality fishing tournament experience.

Most importantly, your sponsorship permits the tournament to support charitable organizations in the Haynesville Shale area such as The Arc Caddo-Bossier's Goldman School and Child Development Center, Special Olympics of Northwest Louisiana and Shiners' Children Hospital. Shiners' Children's Hospital will be the 2024 charitable recipient as well as years to follow. Due to the generosity of our sponsors in past years' tournaments, the total donations to area children's organizations come to \$355,700.

The goal of the board and tournament committees for the 2024 Haynesville Shale Bass Tournament is to continue to conduct a quality natural gas and oil industry tournament that financially contributes to children's organizations in the Haynesville Shale area of Northwest Louisiana and East Texas. PRESIDENT'S LETTER

Welcome to the 15th Annual, 2024 Haynesville Shale Bass Tournament! As always, your participation during this event is an outstanding example of your dedication to the Haynesville Shale community and the support of all its citizens. Currently, the Energy sector is seeing some recovery from years past. The prior year's slowdowns have also had an economic impact on our sponsors as well. However, the dedication of our Sponsors and the Haynesville Shale Bass Tournament Board of Directors and its Volunteers, the tournament has continued to survive through such challenging times. Let's make the 15th Haynesville Shale Bass Tournament one of our best ones yet!

We need your support this year more than ever. With your support we can continue our contribution to our true cause, helping others, specifically those children that are less fortunate physically than we may have been as a child.

The Haynesville Shale's location in the heart of the Sportsman's Paradise presents a bass tournament as the perfect opportunity for employees, contractors and others in the natural gas and oil industry to gather in the spirit of sportsmanship and participate in fundraising efforts for Shriners Hospitals for Children-Shreveport. The Haynesville Shale Bass Tournament Board of Directors and its Volunteers are honored to partner with this outstanding organization. This long-standing organization provides world-class medical care for children with a host of orthopedic and neuro-musculoskeletal disorders and diseases, all in an environment that puts the family first every step of the way.

Thank you to Sabine River Authority and Sabine Parish for so graciously opening their community and resources to the charitable efforts of the tournament. I greatly value our relationship with each of these entities and look forward to future endeavors.

We are also incredibly appreciative to the companies that overwhelmingly respond to the call for financial support, door prizes and volunteers. It is because of this assistance that the tournament is a reality and its mission to aid Shriners Hospital for Children-Shreveport is fulfilled.

Please feel free to contact me with any questions about making contributions towards our worthy cause!

Warmest wishes,

Ken Lowery
